Re: FCC Form 481 - High-Cost Support Information and Low-Income Support Information
Pursuant to 47 C.F.R. §§ 54.313(a)-(g) and 54.422(a)

Dear Secretary Dortch:

Pursuant to 47 C.F.R. §§ 54.313(a)-(g) and 54.422(a) of the Federal Communication Commission's regulations, please find enclosed the FCC Form 481 for Cordova Wireless Communications, Inc. This form was also filed at the Regulatory Commission of Alaska (RCA) and USAC.

Please do not hesitate to contact me if you have any questions or I may be of any assistance.

Sincerely,

DYKEMA GOSSETT PLLC

Cordova Wireless Communications, LLC.

SAC 619007

Statement Regarding Compliance with Service Quality Standards and Consumer Protection Rules

47 CFR § 54.313(a)(5)

Form 481, Line 510

Cordova Wireless Communications, LLC (CWC) is a competitive local exchange carrier operating in the state of Alaska, and is an eligible telecommunications carrier (ETC) designated by the Regulatory Commission of Alaska (RCA). As such, CWC is subject to the regulatory authority of the RCA and operates under the relevant RCA rules (Alaska Administrative Code) and laws of the state of Alaska.

CWC is subject to the service quality standards and consumer protection rules adopted by the RCA and that are applicable to wireless carriers in the state of Alaska. These rules are contained in, but are not limited to, 3 AAC 53.450, as adopted and enforced by the RCA.

CWC ensures compliance with all applicable service quality and consumer protection rules through RCA enforcement, which entails the operation of an effective customer complaint process and enforces the CTIA's *Consumer Code for Wireless Service*. CWC, by rule, is required to respond to customer complaints and other service quality-related inquiries from the RCA in a reasonable time frame. CWC consistently meets or exceeds all RCA-adopted standards, and reports to this effect via all required RCA processes.

Finally, CWC has established internal procedures to ensure compliance with the Federal Communications Commission's Customer Proprietary Network Information (CPNI) rules that include, but are not limited to, periodic employee

training and maintenance of written company CPNI procedures. CWC certifies its compliance with the Commission's CPNI rules by making annual filings as required in 47 CFR § 64.2009(e).

Cordova Wireless Communications, LLC

SAC 619007

Statement Regarding the Ability to Function in Emergency Situations

47 CFR § 54.313(a)(6)

Form 481, Line 610

Cordova Wireless Communications, LLC (CWC) is a competitive local exchange carrier operating in the state of Alaska, and is an eligible telecommunications carrier (ETC) designated by the Regulatory Commission of Alaska (RCA). As such, CWC is subject to the regulatory authority of the RCA and operates under the relevant RCA rules (Alaska Administrative Code) and laws of the state of Alaska.

CWC is subject to RCA rules regarding the ability to remain functional in emergency situations by (1) maintaining at least eight hours of backup power to ensure functionality without local alternating current (AC) commercial power, (2) establishing the ability to reroute traffic around damaged facilities and to manage traffic spikes resulting from emergency situations, and (3) establishing procedures for employees to follow in an emergency to prevent or minimize interruption or impairment of telecommunications services.

CWC has generators capable of providing the required level of backup power, and they can be deployed as necessary to CWC's switching and remote sites. CWC's network is capable of rerouting traffic around damaged facilities, although this ability is not absolute and may be limited in certain circumstances. However, CWC follows all industry standard practices in ensuring its network remains functional during different types of emergency situations.

Cordova Wireless Communications, LLC

SAC 619007

Statement Regarding Voice Rate Comparability

47 C.F.R. § 54.313(a)(10)

Form 481, Line 1010

Cordova Wireless Communications, LLC (CWC) is a competitive local exchange carrier operating in the state of Alaska, and is an eligible telecommunications carrier (ETC) designated by the Regulatory Commission of Alaska (RCA). As such, CWC is subject to the regulatory authority of the RCA and operates under the relevant rules and laws of the state of Alaska.

CWC hereby certifies that the pricing of its voice services is no more than two standard deviations above the national average urban rate for voice service, \$46.96, as specified in the March 20, 2014 Public Notice issued by the Wireline Competition Bureau of the Federal Communications Commission.

CWC's residential voice service rates, including state fees, are as follows.

Flat Monthly rate for Cordova is \$21.83 for 250 local minutes

Flat Monthly rate for Yakutat is \$ 21.83 for 250 local minutes

Cordova Wireless Communications, LLC.

SAC 619007

Statement Regarding Compliance with Tribal Engagement Rules

47 CFR § 54.313(a)(9)

Form 481, Line 900

Cordova Wireless Communications, LLC (CWC) is a competitive local exchange carrier operating in the state of Alaska, and is an eligible telecommunications carrier (ETC) designated by the Regulatory Commission of Alaska (RCA). As such, CWC is subject to the regulatory authority of the RCA and operates under the relevant RCA rules (Alaska Administrative Code) and laws of the state of Alaska.

By Federal law passed by the United States Congress decades ago all of Alaska has been deemed and recognized as Native Lands for decades. All of our members in our small service area reside on native Lands. CWC does not discriminate in any way when serving the community of Cordova and therefore treats all people equally and all customers and businesses the same regardless of title, creed, religion, affiliation or needs. Each person in Cordova has access to exactly the same services as every other person in Cordova and within our service area. Our marketing efforts ensure that all businesses and individuals are well aware they can purchase all data transport or Life Line and Link Up or wireless or hardline services same as their neighbors.

To insinuate that CTC and CWC must somehow reach out in some unique and special way to any special group or individual over another in a state that is considered by Federal law to be 100% Tribal Lands is perplexing and insulting to say the least. We reach out to all the Native people of our service area precisely as we would anyone else because we are all equal. Frankly we do not even understand how these questions can legally be asked of Alaskan providers. Doing so is the same as accusing all of us of practicing discrimination of some form.

The Tribal areas served by CWC are: Cordova, Alaska.

In accordance with our current business practices, and those in effect prior to the adoption to the FCC's Tribal Engagement rules, CWC along with their holding company, Cordova Telephone Cooperative, Inc.(CTC) reached out to its Tribal villages on multiple occasions and engaged or attempted to engage with the applicable Alaska Native Village officials regarding the following topics:

- (1) A needs assessment and deployment planning with a focus on Alaska Native Village anchor institutions;
- (2) Feasibility and sustainability planning;
- (3) Marketing services in a culturally sensitive manner
- (4) Rights of way processes, land use permitting, facilities siting, environmental and cultural review processes; and
- (5) Compliance with Tribal business and licensing requirements.

CWC has lease agreements with its holding company, Cordova Telephone Cooperative, Inc. (CTC) See attached sample copy of Flag Pt. Lease agreement. Therefore CWC falls under CTC's agreements with the native village associations. Also in 2012, CTC/CWC collaborated with Casey Pape at the Native Village of Eyak to facilitate their Native Lands Expansion project at no cost to them. See attached copy of emails.

CTC/CWC also worked with the Native Village of Eyak to install anemometers at two of our remote sites and ultimately donated all space and power expenses and continues to today. See attached emails.

CWC has visited the offices of Alaska Native Village officials in efforts to assess service needs and market its services in a culturally sensitive manner. See attached copy of emails.

Subject: Recycling Cell Phones

To: cbradford@gci.com

Cc: jfarrell@cvtc.org, administrator@ctcak.net

Good Afternoon,

As part of my job with the Native Village of Eyak's Women's Project, I have researched fundraising opportunities for our domestic violence and sexual assault program.

One of the fundraisers is "Recycling Cellphones". Through this project we would be collecting used cell phones and sending them off for recycling. Once they are received we would then get funds back.

We have been working collaboratively with Advocates, Law Enforcement and Medical personnel to revive the Cordova SART (Sexual Assault Response Team).

I am asking to place the container in your facility to collect used cell phones to help us in this endeavor. I would be the contact person and hope that you would be willing to help in this fundraiser.

If your agency is willing to help I can drop off the collection box at anytime, just either email or call me at your convenience.

Thank you in advance for your help and support in this project.

Cheryl Elehansky

CTC just doubled its Internet Speeds AGAIN for the same low price! Double Speed + More GB it out!

EQUIPMENT, SPACE, LICENSE AND POWER AGREEMENT

CORDOVA WIRELESS COMMUNICATIONS, INC. and
CORDOVA TELEPHONE COOPERATIVE, INC.

THIS EQUIPMENT, SPACE, LICENSE AND POWER AGREEMENT ("Agreement") is entered into by and between Cordova Telephone Cooperative, Inc., an Alaska corporation, hereafter called "CTC", and Cordova Wireless Communications, Inc. an Alaska corporation, hereafter called "CWC".

In accordance with the provisions herein contained, CTC hereby agrees to provide to CWC equipment consisting of one (1) fully equipped cellular Plexsys base station and two (2) stick cellular antennas ("Equipment"); and, electrical power ("Power") at CTC's communications facility at Flag Point/ 27 Mile Copper River Highway, Cordova Alaska 99574 ("Facility").

1. EQUIPMENT AND GRANT OF LICENSE. CTC grants to CWC an exclusive, personal and non-transferable license, except as provided by Section 18, to use the "Equipment", "Space" and "Power" at the "Facility". CTC reserves the right to disconnect "Equipment" from the site's electrical power plant in the event of emergency equipment failure or power interruption.
2. PRIMARY TERM. This agreement shall commence on June 1, 2006, and shall run until June 1, 2016, unless extended pursuant to the provisions of Paragraph 5 or unless terminated earlier pursuant to the provisions of Paragraph 6.
3. CHARGES. Monthly recurring charges to be paid by CWC under this Agreement are:

Equipment, Space, License and Power:	\$1,200.00
Total Monthly Charges	\$1,200.00

Charges for any partial months shall be prorated on the basis of a 30-day month. Monthly charges are payable in advance by the first day of the month ("due date"). CWC shall send monthly payments upon invoice to:

Cordova Telephone Cooperative, Inc.
PO Box 459
Cordova, AK 99574

or to such other address designated by CTC.

Any charges or any other payment due but not received by CTC within ten (10) days of due date or the date an invoice for such charges is issued, whichever is later ("delinquent payment"), is subject to a late charge of \$50.00. The parties agree in advance that this late charge represents a

fair and reasonable estimate of the cost that CTC will incur by reason of late payment by CWC. In addition, delinquent payments are subject to interest accrued from the due date at the highest rate allowed by law. Should CWC fail to pay charges owed as required herein, then CWC will be in default and CTC will have the right to terminate this Agreement in accordance with Paragraph 6 of this Agreement.

4. ADJUSTMENTS TO CHARGES. Notwithstanding this provision, CTC may increase any of the charges or the total monthly charge in Paragraph 3 upon ninety (90) days written notice to CWC.

5. OPTION TO EXTEND. Subject to paragraph 6 here of, CTC agrees that CWC shall have the option to extend this Agreement beyond the original term herein specified for one additional five-year term. Unless CWC otherwise notifies CTC at least sixty (60) days prior to the expiration of the primary term of this Agreement or any extension thereof, this Agreement shall be extended automatically for an additional term. CWC shall notify CTC in writing in the manner provided in Paragraph 19 of its intent not to exercise the option to extend this Agreement. Upon agreement of the parties, this Agreement may be extended beyond the primary term or any extension thereof on a month to month basis.

6. TERMINATION. Notwithstanding any other provision of this Agreement, either party may terminate this Agreement with or without cause upon one-hundred twenty (120) days prior written notice to the other, except that in the case of failure to pay charges owed on or before the delinquent date, CTC shall only be required to give CWC thirty (30) days written notice of termination. If CTC's premises become unusable due to fire or other cause this Agreement will be terminated. In the event of termination, any unused portion of prepaid charges, less any other charges owed, shall be returned to CWC by CTC. This Agreement shall terminate upon the expiration or termination of CTC's authority to use or occupy the "Facility", if CTC decides to terminate its operation at this site, or if this site is sold by CTC, unless such sale is made to its parent, any of its subsidiaries or affiliates. This Agreement may be subject to the approval of the grantors of any underlying leases or land use permits.

7. IMPROVEMENTS & MAINTENANCE. CTC is responsible for all improvements and maintenance of "Equipment" and "Facility".

8. WARRANTY. **CTC MAKES NO WARRANTY, EXPRESS OR IMPLIED, AS TO THE SUITABILITY OF THE EQUIPMENT SPACE FOR CWC'S INTENDED USE OR PURPOSE AND EXPRESSLY DISCLAIMS ANY SUCH WARRANTY. CTC PROVIDES THE EQUIPMENT SPACE AND POWER AND CWC ACCEPTS SUCH SPACE AND POWER, AS IS.**

9. USE, PERMITS, COMPLIANCE. CWC covenants and agrees to use the "Space" only for the operation of the "Equipment".

CWC shall obtain all necessary governmental permits, licenses, and approvals needed for CWC's use of the "Equipment". CTC shall fully cooperate with CWC by executing and joining in CWC applications for governmental permits, licenses or approvals covering CWC use so long as CTC

is not adversely affected thereby. CWC shall reimburse CTC for any and all expenses attributable to CTC's cooperation. In addition, CTC specifically agrees to comply with all reasonable conditions imposed by relevant jurisdictions on CWC use of the "Equipment" so long as CTC is not adversely affected thereby.

CWC covenants and agrees to use said "Equipment" in accordance with all applicable federal, state and local laws, regulations, ordinances and administrative and judicial orders and other requirements, including rules established from time to time by CTC. CWC shall furnish CTC with a copy of CWC's Federal Communications Commission (FCC) construction authorization and any subsequent FCC license or license renewal required to operate radio equipment at this site prior to operating any such equipment.

10. ACCESS. CTC shall have the right to restrict "Equipment" access to CTC personnel only. In any event, access to CTC's tower and communications buildings at all times shall be allowed only in the company and under the supervision of assigned CTC personnel unless other written arrangements are made with CTC.

CWC is responsible and liable for any damage done to CTC's or other parties' equipment at the "Facility" that is caused by CWC, its agents or contractors.

CTC is under no obligation to clear snow from any areas at or approaching CTC's site for the purposes of providing CWC access to the "Equipment". CWC may clear or remove snow for access purposes at its own cost and at its own risk with prior permission from CTC's site supervisor.

11. INTERFERENCE. CTC reserves the right to require CWC to cease all operations on "Equipment" in the event that "Equipment" causes or appears to cause unacceptable interference with CTC's or other communication systems. If radio frequency interference is experienced by CTC-owned or any other radio communication equipment, regardless of its location, upon-or during operation of "Equipment", CWC agrees to eliminate immediately any interference associated with the transmission and operation of "Equipment" upon oral or written notice by CTC. Failing the prompt elimination of such interference, CWC shall discontinue its "Equipment" operation upon oral or written notice by CTC until CTC, in its sole discretion, is satisfied that any interference problems are resolved and until CTC expressly states that CWC may resume "Equipment" operation. If CWC's operations are discontinued for thirty (30) consecutive days or more, CTC agrees to rebate the prorated portion of rent to CWC. If such discontinuance of CWC service causes CWC a loss of information or revenue in any manner, CTC shall not be liable for such loss or any direct or indirect result of such loss.

As a general rule, CWC shall not be required to adjust its FCC and CTC-authorized operations on the "Equipment" to eliminate interference problems encountered by any other operator whose operations on the "Equipment" begins after those of CWC. Moreover, as a general rule, interference problems caused by operations of a later lessee will be the responsibility of the later lessee to resolve. These general rules do not apply, however, to situations where CTC's equipment or operations (including those of CTC affiliates, subsidiaries, agents, customers, partners, contractors or customers, whenever installed or initiated) are adversely affected by

CWC's operations or to any situation whatsoever which otherwise is determined by CTC, in its sole discretion, to require adjustments to "Equipment" or operations in the "Equipment" Space to solve interference problems.

CTC is under no obligation to adjust CTC or other equipment to solve radio frequency interference problems associated with the use of "Equipment". Upon CTC's written request, CWC shall install filtering devices on "Equipment" to reduce likelihood of radio interference with other equipment.

12. INCOMPATIBILITY. If either CTC or CWC determines that its operations are incompatible with the operations or plans of the other party, it may terminate this Agreement subject to the terms of paragraph 6 of this Agreement, in which event CTC agrees to rebate to CWC any unused portion of rent that may have been paid.

13. INDEMNIFICATION. CWC and its agents shall indemnify, defend and hold harmless CTC, affiliates, subsidiaries, officers, directors and employees from any and all liability to any third party and from any loss, damage, expenses, claims or fees, incurred or suffered in connection with any third party claim, including reasonable attorneys fees, arising out of or related to:

- (a) CWC or its agents' use of the "Equipment" or any part thereof or space adjacent thereto;
- (b) any and all actions or conduct of or on the part of CWC, its agents, contractors, licensees, or invitees;
- (c) any bodily injury, including personal injury, or property damage occurring on or about CTC's property resulting from CWC's or its agents' equipment installation and operation;
- (d) any failure on the part of CWC or its agents to perform or comply with any covenant required to be performed or complied with by CWC, including, but not limited to, all applicable local, state and federal environmental laws, regulations, ordinances and administrative and judicial orders and other requirements in every aspect relating to the use of the "Equipment", including, without limitation all such laws, ordinances, orders and requirements relating to the generation, recycling, reuse, sale, storage, handling, transportation, release and disposal of any hazardous, toxic or regulated materials or substances.

14. RISK OF LOSS. CWC shall bear the risk of loss for any portion of CWC owned equipment placed upon the premises by CWC in the event the equipment is damaged or destroyed, in whole or in part.

15. LIMITATION OF LIABILITY. Neither party shall be liable for indirect, special, consequential or incidental damages, including, without limitation, any damages for lost profits or revenues. This limitation of liability shall not apply to any obligation or liability of CWC referred to in the indemnification provisions (Paragraph 13) above.

16. TAXES, ASSESSMENTS AND FINES. CWC shall not be liable for payment of any real property taxes or assessments that may be levied on the "Equipment". In no event shall CWC be held liable for taxes based on CTC's income or CTC for taxes based on CWC income.

17. ASSIGNMENT OR SUBLETTING. Except to corporate parents, subsidiaries or affiliates, CWC shall not assign this Agreement or grant any interest in the "Equipment" without prior written consent from CTC, which consent shall not be unreasonably withheld, and any such assignment or grant without such approval is null and void.

18. NOTICES. Any notice by CTC to CWC will be served at P.O. Box 438, Cordova, Alaska 99574 or by FAX at (907) 424-2301, confirmed promptly in writing, and any notice by CWC to CTC will be served on CTC at PO Box 459, Cordova, Alaska 99574 or by FAX (907) 424-2142, confirmed promptly in writing.

19. AMENDMENT. This Agreement cannot be amended or modified except in writing signed by both parties.

20. SEVERABILITY. If any term or provision of this Agreement be held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and each term and provision hereof shall be valid and enforced to the fullest extent permitted by law.

21. WAIVER. No delay or omission by either party to exercise any right or power is to be construed as a waiver.

22. GOVERNING LAW. This Agreement shall be construed in accordance with and governed by the laws of the State of Alaska. Venue for any action under this Agreement shall be the Third Judicial District at Cordova, Alaska.

23. ATTORNEYS FEES. If either party to this Agreement initiates any legal proceeding to construe or enforce any of the terms and conditions herein, or to obtain damages or relief hereunder, then the prevailing party shall be entitled to its reasonable attorney's fees, expenses and court costs incurred in connection with such legal proceedings.

24. DISPUTE RESOLUTION.

(a) The parties desire to resolve disputes arising out of this Agreement without litigation. Accordingly, except for action seeking a temporary restraining order, injunction, or specific performance related to the purposes of this Agreement, or suit to compel compliance with this dispute resolution process, the parties agree to use the following alternative dispute resolution procedure as their sole remedy with respect to any controversy of claim arising out of or relating to this Agreement or its breach.

(b) At the written request of a party, each party will appoint a knowledgeable, responsible representative to meet and negotiate in good faith to resolve any dispute arising under this Agreement. The parties intend that these negotiations be conducted by non-lawyer business representatives. The location, format, frequency, duration and conclusion of these discussions shall be left to the discretion of the representatives. Upon agreement, the representatives may use other alternative dispute resolution procedures such as mediation to assist in the negotiations. Discussions and correspondence among the representatives for the purposes of these negotiations shall be treated as confidential information developed for purposes of settlement, exempt from discovery and production, which shall not be admissible in the arbitration described below or in

any lawsuit without the concurrence of all parties. Documents identified in or provided with such communications, which are not prepared for purposes of the negotiations, are not so exempted and may, if otherwise admissible, be admitted in evidence in the arbitration or lawsuit.

(c) If the negotiations do not resolve the dispute within sixty (60) days of the initial written request, the dispute shall be submitted to binding arbitration by a single arbitrator in accordance with the Commercial Arbitration Rules of the American Arbitration Association. A party may demand such arbitration in accordance with the procedures set out in those rules. The arbitrator shall control discovery. The arbitration hearing shall be commenced within sixty (60) days of the demand for arbitration. The arbitration shall be held at a mutually agreed location. The arbitrator shall control the scheduling so as to process the matter expeditiously. The parties may submit written briefs. The arbitrator shall rule on the dispute by issuing a written opinion within thirty (30) days after then close of hearings. The time specified in this Paragraph may be extended upon mutual agreement of the parties or by the arbitrator upon showing of good cause. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction.

(d) Each party shall bear its own costs of these procedures, except that an Arbitrator in her sole judgement, may apportion the costs in accordance with the arbitrator's award. A party seeking discovery shall reimburse the responding party the costs of production of documents (to include search time and reproduction costs). The parties shall equally split the fees of the arbitration and the arbitrator.

25. NO ESTATE OR PROPERTY INTEREST. The license(s) granted by this Agreement are personal privileges allowing CWC to operate in the Equipment Space at the Facility. The license(s) and the payments by CWC under this Agreement do not create or vest in CWC (or in any other person) any leasehold estate, easement, ownership interest, or other property right or interest of any nature in any part of the Facility.

26. ENTIRE AGREEMENT. This Agreement constitutes the entire agreement between the parties with respect to the subject matter contained herein. There are no representations, understandings or agreements that are not fully expressed in this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

Subject: NVE and CTC collaboration on Wind Project_Cordova Times Article

To: cathy@ctcak.net

Cc: lathycong@gmail.com

Morning Cathy,

Hope all is well. I cc'd your personal email as I wasn't sure if I used your correct CTC email address or not? As we have spoken earlier, Paul has asked that CTC be acknowledged for their contributions to the Cordova Wind Assessment project, sponsored by the DOE Tribal Energy Program.

If you have some time, perhaps we can get together and talk about putting something in the paper that satisfies this requirement? I am free most days with this coming Friday being the only foreseeable exception.

NVE is also trying to acknowledge [our] partnership via our news letter.

Thank you,

Casey Pape
